What We Do

Computers4Kids is a non-profit that supports youth in developing their passions through projects, workshops, and STEAM (Science, Technology, Engineering, the Arts, and Math) activities, while providing a safe space for exploration of a wide variety of creative technologies. We offer high quality mentoring and access to a home computer. All of our services are free.

Who We Serve

To be eligible for Computers4Kids, participants should be:

- A resident of Albemarle County or Charlottesville
- Eligible for Free or Reduced Lunch
- Enrolled in 6th – 12th grades
- Able to meet with mentor about an hour each week for 36 weeks (9-12 months)
- Able to arrange transportation to and from C4K
- Able to attend new member orientation with a parent or guardian

Refer a Youth!

C4K wants every eligible youth to know about the resources we offer. If you know a 6th-12th grader who could benefit from our services please submit your referral through our online application at <http://www.computers4kids.net/programs/participate/> or by following the code at the bottom of the page.

Check our website for information about our next orientation!
